

1 10A NCAC 13P .0402 is proposed for amendment as follows:

2
3 **10A NCAC 13P .0402 COMPONENTS OF MEDICAL OVERSIGHT FOR SPECIALTY CARE**
4 **TRANSPORT PROGRAMS**

5 Each Specialty Care Transport Program shall have the following components in place to assure Medical Oversight
6 of the system:

- 7 (1) a medical director. The administration of the ~~Specialty Care Transport Program~~ SCTP shall
8 appoint a medical director following the criteria for medical directors of Specialty Care Transport
9 Programs as defined by the "North Carolina College of Emergency Physicians: Standards for
10 Medical Oversight and Data Collection," incorporated by reference in accordance with G.S. 150B-
11 21.6, including subsequent amendments and editions. This document is available from the OEMS,
12 2707 Mail Service Center, Raleigh, North Carolina 27699-2707, at no cost. The program
13 administration may elect to appoint one or more assistant medical directors;
- 14 (2) treatment protocols for adult and pediatric patients for use by medical crew members;
- 15 (3) an EMS Peer Review Committee; and
- 16 (4) a written protocol for use by medical crew members to obtain on-line medical direction. On-line
17 medical direction shall:
- 18 (a) be restricted to medical orders that fall within the scope of practice of the medical crew
19 members and within the scope of approved program treatment protocols;
- 20 (b) be provided only by a physician, MICN, EMS-NP, or EMS-PA. Only physicians may
21 deviate from written treatment protocols; and
- 22 (c) be provided by a system of two-way voice communication that can be maintained
23 throughout the treatment and disposition of the patient.
